_____ Kissimmee Surgery Center- 2275 N. Central Ave. Kissimmee, FL 34741

- Please arrive approximately one-two hours prior to your scheduled time.
- Procedure time may change depending on schedule accommodations. The facility staff will call you to confirm any schedule changes.
- You are required to be accompanied by someone that will be able to drive you home. You must not come alone.
- Do not eat or drink anything after midnight.
- Please disclose all prescription and nonprescription medications you are taking.
- Certain medications increase the risk of bleeding or make it difficult for bleeding to stop if it occurs.
- You must stop taking blood-thinners, aspirin or aspirin containing products also known as Non-Steroidal Anti-Inflammatory Drugs (NSAIDs) seven (7) days prior to the procedure unless otherwise specified. (i.e. Effient, Xarelto, Bayer, Aleve, Advil, Celebrex, Ibuprofen, Naproxen, Motrin, Midol, Meloxicam, Lortab, Vitamin E, Fish oil, etc.)
- You must stop taking ticlodipine (Ticlid) and clopidogrel bisulfate (Plavix) seven (7) days prior to the procedure.
- You must stop taking warfarin sodium (Coumadin) three (3) days prior to the procedure.
- If you have diabetes mellitus and you are using oral hypoglycemic agents, you should not take any on the day of the procedure. You should take it when you have resumed a diet.
- If you have hypertension (high blood pressure) you should take your medication with minimal water.
- If you are having an **EGD with Bravo**, please stop taking any stomach medications 5 days prior to your procedure date.

If you wish to cancel or re-schedule this procedure, please inform Dr. Anwer's office 48 hours prior to the scheduled date via email (backoffice@anweraga.com) or via telephone (407-566-0700 Ext. 204) to avoid a \$50.00 late cancellation fee. If your preparation for the procedure is poor the procedure may need to be cancelled. The hospital/facility may still bill/charge for the service. Physician's fee is separate from the hospital/facility fee.

*** I have read and understood the above instructions.**
